

DICKINSON FFA

“Learning to Do, Doing to Learn, Earning to Live, Living to Serve”

The Dickinson FFA is starting a High School Barbeque Competition Team at Dickinson High School. This team will provide a new opportunity for high school students to become involved in a student activity geared towards competition barbeque, meat science and butchery, and culinary science. This opportunity will allow students to travel across the state competing against other high school teams for the chance to qualify for the state championship. Getting this team started is no easy task and we are looking for sponsors to help us out. Sponsor money will be used to cover initial registration and entry fees, purchasing needed equipment, and student travel costs. Some initial costs and sponsorship levels have been outlined below. Please feel free to reach out with any questions you may have. Dickinson FFA is a student-run, non-profit and tax exempt organization. Documentation can be provided upon request for tax and sponsorship purposes.
